Admin Approve Request and Set Price

The screenshot displays an administrative web application. On the left, a sidebar contains the 'Admin' logo, a 'User Search' button, and filters for 'Create', 'Pending' (highlighted), 'Accepted', and 'Declined'. The main content area is titled 'Pending Requests' and lists two items: 'sample request (Claudia LaPlant)' and 'request2 (Claudia LaPlant)'. Each item shows a date, a time slot, submission details, and 'Approve'/'Decline' buttons. A modal dialog titled 'Approve Request' is open in the center, showing details for the 'sample request' and allowing the admin to set a price and send a notification.
