Tech stack diagram

Showcase how your UI, business, and data storage tools are interconnected. Then, take a big picture approach to your company's tech needs and applications to see where you can improve.
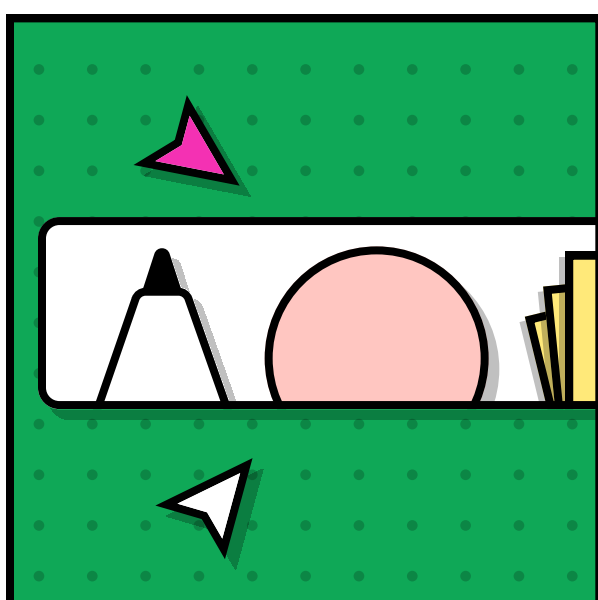

How to use this template

1. Collect all software, apps, or technology your company uses.

2. Categorize each piece of tech.
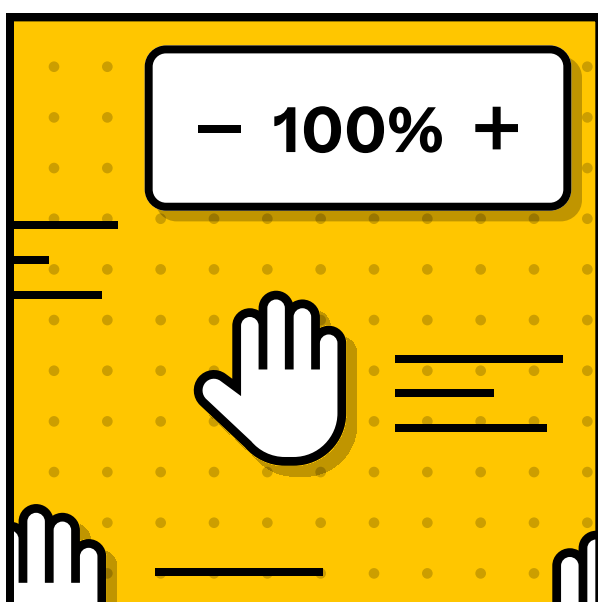

3. Review with your team.

Quick tips

Start with the toolbar

It's at the bottom of your screen, with stickies, stamps, and anything you need.

Move and zoom

Use the hand tool to pan around. Zoom controls are in the top right corner.
